

कृषि तथा वन विज्ञान विश्वविद्यालय अनुसन्धान तथा प्रसार निर्देशनालय (DOREX)

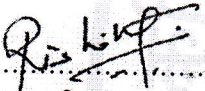

च. नं.: ९६१०८५/०८२

मिति: २०८५/०९/१४

सूचना

विषय : प्रस्तावना छनौट गरिएको सम्बन्धमा ।

यस कृषि तथा वन विज्ञान विश्वविद्यालयको अनुसन्धान तथा प्रसार निर्देशनालय अन्तर्गत संचालन हुदै आएका अनुसन्धान गतिविधिहरुलाई व्यवस्थित रूपमा अगाडी बढाउने Sixth (Special) Call Faculty हरुलाई लक्षित गरि Proposal (PCN) आव्हान गरिएकोमा प्राप्त हुन आएका प्रस्तावहरु मध्ये तपशिल बमोजिम छनौट भएका प्रस्तावन निवेदकहरुले प्रस्तावको रकम रु. १,००,००० (एक लाख) नवढाई आ-आफ्नो प्रस्तावना परिमार्जन गरि पेश गर्न सम्बन्धित सबैमा जानकारी गराईन्छ ।

डा. ऋषिराम कट्टेल
निर्देशक

Faculty and Officer Proposal (PCN) Name List

S.N.	Principal Researcher	Title
1.	Suman Karki	Growth Performance and Immune Status of Nepalese Indigenous Chicken Breed Sakini Under Various Protein Levels, Antibiotic Alternative in Diet and Different Rearing Systems
2.	Poonam Sapkota	Integrated Nutrient Management effects on growth and yield of Okra and its consequences on soil properties.
3.	Rajeev Joshi	Assessing the Governance Status of Community Forest: A Case Study from community Forest of Udayapur District, Nepal
4.	Umesh Timilsina	Effects of Different Postharvest Treatments on Quality and Shelf life of Mango (<i>Mangifera indica</i> L.)
5.	Abhisek Shrestha	"Characterization of rice landraces under PEG induced drought and saline condition to mitigate for climate change hazards and crop improvement
6.	Ghanshyam Kandel	Information need and preferred source of information by farmers of Kaski District, Nepal
7.	Narayan Dhakal	Effect of phytohormones and manures on different growth parameter and yield of sweet pepper in tikapur, kailali
8.	Kul Bahadur Thapa	Growth and yield attributes of finger millet (<i>eleusine coracana</i> l.) Influenced by integrated nitrogen management
9.	Rajendra Lamichhane	An economic analysis of dairy (Milk) Production in Dailekh District of Nepal
10.	Nirajan Bhandari	Morphological Characterization and Biochemical Analysis of Akabare Chili Landraces
11.	Shiva Khanal	Enhancing the milk production of dairy animals in Rolpa District through advanced husbandry management, with a specific emphasis on optimizing deworming practices.
12.	Namrata Devi Khatri	Crown Width Modeling of Shorea Robusta: A Case Study from Udaypur District, Eastern Nepal
13.	Sujan Mishra	Economics of rice production among smallholder farmers in kaski district, nepal
14.	Narayan Prasad Tiwari	Understanding farmer's perception toward effectiveness of agricultural subsidies system
15.	Arjun Bastola	Effect of different doses of nitrogen on open pollinated and hybrid rice in different establishment methods in marin, sindhuli, nepal
16.	Jeevan R.C.	Exploring the Economic and marketing potentiality of Himalayan Giant Nettle (<i>Girardinia diversifolia</i>) and species, in Rolpa District, Nepal
17.	Sanket Kattel	Increasing Nitrogen Use Efficiency Of Rice Through Fertilizer Applicataion Method
