

# National Conference on Regional Approach to Setting Agricultural Research Priorities, 2025

College of Natural Resource Management, Tikapur, Kailali  
Sudurpaschim Province, Nepal

## Call for Abstract

Besides tutoring skillful future human resources, the College of Natural Resource Management, Tikapur, Kailali also takes upon itself the responsibility to serve as a platform to convene researchers of diverse backgrounds (academics, administrators, policy makers and entrepreneurs), foster constructive dialogue exchange, and conceive scientifically founded ideas and perspectives on agricultural well-being of the Sudurpaschim Province. Now, more than ever, it is critical to improve crop- and livestock-based systems while safeguarding their sustainability, and to support farming households in facing adversities of rising economic inflation, ecological disruption, climate-related or natural disasters.

We invite all interested individuals to share their scientific thoughts and research exposition on several of the following themes in upcoming "Conference on Regional Approach to Setting Agricultural Research Priorities, 2025".

### Focus

#### Theme (and priority commodities)

- Agronomic & horticultural management techniques in commercial and potentially-commercial crops (Rice, Wheat, Potato, Millets, Legume, Oilseed, Banana, Cucurbit, Tomato, Onion, Garlic, and other underutilized crops)
- Crop and Livestock germplasm characterization & Bio-diversity prospecting
- Crop & Soil protection strategies
- Production economics, Supply chain management & Behavioral studies on technology adoption
- Climate resilience & Sustainability measures

#### Objectives

- Identify priority crops and their prospects for research and utilization.
- Understand status of agricultural resource usage and explore options for their optimization in the face of climate challenges.
- Share quick-to-adopt technologies through government-academic-enterprise collaboration.

### Key Participants

- Policy makers and administrators
- Subject experts/mentors
- Agricultural officers
- Students
- Entrepreneurs
