Ref: Invitation to participate at the workshop

Dear sir/madam

I am pleased to inform and request that Agriculture and Forestry University (AFU) is going to organize a one-day National level workshop to help design **National Agriculture and Forestry Education Policy in Nepal** so that a concrete document in this line would be produced in consultation with the wider stakeholders working, or having long experience in Agriculture and Forestry Sector.

I cordially invite you all to participate at the workshop and to provide critical comments/suggestions and feedback to help improve the overall quality of the policy to be documented as a historical contribution in the area of higher education for agriculture and forestry in Nepal.

The draft programme schedule, venue, date, and time of the proposed workshop is mentioned in the next page.

With best Regards,

Prof. Dr. Nabaraj Devkota
